January 2002

Dear Program Director:

We are currently updating our database of financial awards available from sources other than colleges and universities—a database that consists of over 3,700 programs offering more than **1 million** awards valued at over **$4 billion** in financial aid to students pursuing higher education. Peterson's has identified your organization as one that offers awards in the form of scholarships, grants, prizes, fellowships or forgivable loans. We would be pleased to include information about your financial awards in our Scholarship Search Service located on our website at http://www.petersons.com In addition, selected awards will also appear in our popular guide, *Scholarships, Grants, and Prizes 2003.* Both types of listings are complimentary.

Peterson's is the leading integrated media company in the United States, providing students with educational information in support of lifelong learning. Our online, software, and print products enable students to make informed choices about pursuing and financing their educational goals.

Please complete the enclosed *Organization and Program Surveys* and return them to Peterson's by **February 8, 2002**. If your organization offers multiple award programs, please copy and complete one of the enclosed blank *Program Surveys* for each award program that is administered by your organization. As a result of your completing these surveys, information about your organization's award program(s) will be made available through Peterson's products and services. With the strength of Peterson's brand name, distribution channels, and the breadth of our partnerships, you can be confident that your award programs will be represented wherever and whenever people seek information—at every moment, in every medium, around the world.

Thank you for completing and returning the enclosed surveys by **February 8, 2002.** A pre-addressed return envelope is enclosed for your convenience. Should you have any questions, please do not hesitate to contact me by phone at 800-338-3282 or 609-896-1800, both at extension 3395, or by e-mail at privateaid@petersons.com.

On behalf of our board and 2001 Audre Lorde Scholars, we want to thank you for your past contributions and hope that you will consider giving the gift of education this holiday season. We know that you gave generously last year. Please consider increasing your contribution.

The Audre Lorde Scholarship Fund is named in honor of Audre Lorde, former State Poet of New York who defined herself as a black lesbian, warrior poet. Lorde is internationally regarded as a significant contributor to the struggle for women's liberation and lesbian and gay rights. Lorde's voice was stilled in 1992, when she died of cancer at the age of 58.

ZAMI is a sponsored project of the Fund for Southern Communities (FSC). Tax-deductible contributions should be made payable to FSC and designated for the Audre Lorde Scholarship Fund. We have enclosed an envelope for giving.
